Hi Gur,

Please find attached the most recent version of our Tracking Sheet for the pretreatment support under Task B of R9-16-02_Task Order-68HE0918F0417. As you can see, all virtual components (interview, file review, and exit interview) have been completed with the exception of the Ojai exit interview, which is scheduled for tomorrow afternoon. Just wanted to keep you in the loop as to the status of each task.

Let me know if you have any questions.

Respectfully,

Chuck Durham
